**DEVELOPMENT & PEACE FALL CAMPAIGN:** This year, we are being asked to sign the Solidarity Letter which is addressed to two communities in Brazil that are being threatened by mining and logging industries. The letter which is addressed to the people who live in the Amazon and who want to live there want to protect their lands, their waters and their sustainable lifestyles against profitters who come after their natural resources. This is the text of the letter: Thank you for protecting the Amazon rainforest, your traditional home and humanity's common heritage. We, the people of Canada, are pained to learn of your persecution, dispossession and criminalization by those who would rob your lands, livelihoods, waters and way of life to exploit the gifts of the Amazon for profit. We join you in urging your government to stop privileging corporate interests over your rights and the integrity of the forest. We will impel our government to hold Canadian companies to account for what they do on your lands. Keeping you in our hearts, thoughts and prayers, we wish you more power in your fight for justice and dignity. In solidarity
