RELIGIOUS EDUCATION

What happens to our body and our soul after death?

After death, which is the separation of the body and the soul, the body becomes corrupt while the soul, which is immortal, goes to meet the judgment of God and awaits its reunion with the body when it will rise transformed at the time of the return of the Lord. *How* the resurrection of the body will come about exceeds the possibilities of our imagination and understanding. *Further reading:* CCC [992-1004](#), [1016-1018](#)
