

Come to Montreal!

**175th Anniversary Pilgrimage for High School Students
(grades 10, 11, 12)**

High School March Break - March 18 - 22, 2019

Why Montreal?

Montreal is a truly European experience without leaving Canada!

Montreal is a chance to live in a French speaking environment!

Montreal landmarks are Catholic faith landmarks...Notre Dame Basilica;
Mary Queen of the World Cathedral; St. Joseph Oratory!

Montreal is home to McGill University, Biodome, Mount Royal.

Congregation of Notre Dame Religious Sisters was founded in Montreal in 1658 by St.
Marguerite Bourgeys - Canada's first woman saint!

What a chance to experience a city with such a Catholic heritage!

In celebration of the 175th Anniversary of the Diocese of Antigonish there are a options for pilgrimages....but only one dedicated to youth with a service project as part of the experience!

We have chaperones ready to travel with your youth!
