At the beginning of a New Year, the church invites us to contemplate Mary's divine maternity as an icon of peace. Wishing everyone a happy and healthy 2021.

When the song of the angels is stilled,
When the star in the sky is gone,
When the kings and the princes are home,
When the shepherds are back with their flocks,
The work of Christmas begins:
To find the lost,
To heal the broken,
To feed the hungry,
To release the prisoner,
To rebuild the nations,
To bring peace among people,
To make music in the heart.
